

The Innovation, Quality and Performance you Expect from the Leader

ER1200 WaterTorch™

**George Wiseman,
Innovator**

bubbler tank

Recommended Option:
(with hoses and oxygen adapter)

- 33 lbs (15 kg) dry weight
- 6.625 inches (16.82 cm) diameter
- 16 inches (40.6 cm) high

Specifications:

- 13.75 inches (34.93 cm) wide
- 20.75 inches (52.71 cm) high
- 30 inches (76.2 cm) long
- 170 pounds (77.1 Kg) dry weight
- 200 - 260 VAC compatible
- 45 - 65 Hertz compatible
- 8 - 24 Amps
- 8 psig (0.5624 Kg/cm²)

Features:

- 3 Watthours per liter of gas produced (electrolyzer 145 - 200 VDC)
- 0 - 1200 liters per hour
- Adjustable pressure
- 100% duty cycle
- Refill water while under pressure
